

A photograph of a modern multi-story apartment building. The building features a facade of vertical wooden slats and several balconies with white concrete railings and blue-tinted glass panels. The balconies are cantilevered from the building. The sky is a clear, light blue. A dark blue rectangular box is overlaid in the top left corner, containing the word 'CORNING' in white, uppercase letters.

CORNING

A photograph of a modern multi-story apartment building, similar to the one in the top half of the image. This view is from a lower angle, showing the ground floor and the first few balconies. The balconies have white concrete railings and blue-tinted glass panels. The building's facade is made of vertical wooden slats. A dark blue rectangular box is overlaid across the middle of the image, containing the text 'MDU Solutions' in white, uppercase letters.

MDU Solutions

Connect To Solutions for All Tenants

High-Rise Indoor

CE Splitter Cabinet

OptiSheath® MDU Terminal

OptiSheath MDU Terminal (Open)

RPDpass® Cable Assembly

Connectorized Drop Cable Assemblies

Reel in a Box, Corning® ClearCurve® Compact Drop

Fully preconnectorized MTP®-based solutions allow for rapid deployment of riser to basement with compact footprint.

Garden Style

Low-Profile Terminal

Corning ClearCurve Ruggedized Drop Cable Assemblies

OptiSnap™ Field-Installable Connector Tool Kit

Discrete drop cables home run to each subscriber from a small terminal, often fed from a larger splitter cabinet elsewhere in the neighborhood.

Low-Rise Indoor/Outdoor

OptiSheath MDU Terminal

ClearCurve Ruggedized Drop Cable Assemblies

Small Wall Terminal

Low-rise indoor/outdoor MDUs are typically directly fed by low-fiber-count feeder cables, with small-form-factor splitter terminals supporting direct drops to subscribers.

When it comes to MDUs, there's no one-size-fits-all answer. You need a customized solution from a partner with the expertise to simplify your challenges, so you can focus on delivering the services and applications your subscribers expect.
